## COMMISSION PLAN ADOPTED BY 69 CITIES IN UNITED STATES

Figures Show, in General,

Than Under Old Systems

[By Latest Mail]  
WASHINGTON, D. C.—Sixty-nine cities out of 195 in the United States having an estimated population of more than 50,000 inhabitants each have adopted a commission form of government and discarded the former plan of being governed by a mayor and council. This information is made public in the annual report on financial statistics of cities by Director William J. Harris of the census bureau.

This report covers the transaction of the calendar year 1912 or the fiscal year closing on dates prior to Feb. 1, 1913. The bulletin was prepared under the supervision of Le Grand Powers, chief statistician for finance and municipal statistics.

Figures Show Reduced Expense.  
The cost per capita for the general expenses of all the municipal departments and also the per capita net debt at the close of 1912, of the 69 cities that have adopted the commission form of government are shown in the statement following. The term "net debt" as employed in the report is the funded and floating debt less "general expenses" of the municipal departments includes all costs of city government except interest on debt and outlays for permanent improvements.

The first figure following the name of the city in the statement shows the per capita cost of municipal government for 1912 and the second figure the per capita net debt at the close of 1912.

## FALLING HAIR MEANS DANDRUFF IS ACTIVE

Save your hair! Get a 25-cent bottle of Dandruff right now—Also stops itching scalp.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scourge. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Dandruff tonight—now—anytime—will surely save your hair.

Get a 25-cent bottle of Knowlton's Dandruff from any drug store or toilet counter, and after the first application your hair will take on that life, lustre and luxuriance which is so beautiful. It will become wavy and fluffy and have the appearance of abundance; an incomparable gloss and softness, but what will please you most will be after just a few weeks' use, when you will actually see a lot of fine, downy hair—new hair—growing all over the scalp.—advertisement

## SILVA'S FIRST SALE NOW ON

Every boy, up to 16 years of age, "has his innings" at Silva's Toggery from today until the end of the month—for Silva's first sale commenced today, and the articles marked with sale prices are boys' suits.

Silva's Toggery has never before had a sale in any line—so this sale is a brand new affair. The method of conducting the sale is to take every suit in the store (that is, every suit for a boy) and sell it for 25 per cent less than its usual price.

Mothers and fathers will profit financially by this sale, and the boys will have many fine additions to their wardrobes. And it must be said that with the vacation season on, many additions to a boy's clothing supply become absolutely necessary. So everyone will be happy.

Remember, the sale lasts all through August—but it will, nevertheless, be better to buy early while the stock is greatest.

## WILSON'S NEW FILIPINO BILL IS SUBMITTED

Jones of Virginia Introduces  
Liberal Form of Territorial Rule

[By Latest Mail]  
WASHINGTON.—An administration approved plan for a more autonomous government in the Philippines, as another step toward independence, was laid before Congress today.

Representative Jones of Virginia introduced a bill covering the subject. He is chairman of the house insular committee and his measure, declaring the purpose of the people of the United States as to the future political status of the Philippines, follows a long series of conferences with President Wilson, Secretary Garrison, Manuel Quezon, Philippine resident commissioner to the United States, and Democratic members of the insular committee, all of whom have approved it.

The bill makes no attempt to fix a date for Philippine independence. Its preamble recites that it is never the intention of the people of the United States, in the incipency of the war with Spain, to make it a war of conquest or territorial aggrandizement. It asserts that it always has been their purpose to recognize the independence of the Philippine Islands "as soon as a stable government could be established therein."

Explaining his Philippine bill Mr. Jones said:

"Generally speaking, the bill provides for the Philippine Islands the most liberal form of a territorial government. Its principal features, affecting the more important changes in the existing organic act, are those relating to the enlarged powers conferred upon the governor-general and the abolition of the present Philippine commission, as such, and the substitution thereof of a senate, the members of which, representing Christian provinces, shall be elected by popular vote."

"The non-Christian tribes are to be represented in the legislature by two senators and nine representatives appointed by the governor-general, who is to appoint also the heads of the executive departments."

"The only officials to be appointed by the president are the governor-general and members of the supreme court. Governor's Power Limited."

"The governor-general is given limited power of veto over the acts of the legislature, but the president would have the power of absolute veto."

## HOPP'S SALE BEGINS MONDAY

On Monday morning, bright and early, Hopp & Company's annual August clearance sale of furniture, rugs, carpets and curtains will commence—lasting for just two weeks. Every article in the store will be reduced, for the sale period, from 10 to 33 1-3 per cent.

As the manager says: "Past experience has taught us that it is 'bad business' to carry goods from season to season, but that it is 'good business' to sacrifice profits to secure shelf and floor space needed for new goods. So we have gone through our entire stock of merchandise and reduced everything we carry. Bigger bargains this year than ever before."

It is an assured fact that those far-sighted ones who take advantage of the bargains at Hopp's during the next two weeks—but, of course, preferably during the very first few days of the sale—will secure pieces of furniture, also fine rugs, carpets, curtains, etc., at much less than usual prices.

The sale lasts for just two weeks—but the best choices will naturally be obtained on Monday, Tuesday and Wednesday.

## CHAPLAIN W. R. SCOTT WILL SPEAK AT MEN'S MASS MEETING SUNDAY

"Christian Opportunity" Is Selected as Subject—Singing a Feature of Gathering

"Christian Opportunity" will be the subject of the address by Captain William R. Scott, chaplain of the 2nd Infantry, at the men's meeting in the Empire Theater tomorrow night. Chaplain Scott has been stationed in Hawaii since December of last year. Before that time he was a chaplain of Coast Artillery, stationed at Fort Monroe, Virginia.

Chaplain Scott is a popular speaker to men. During the few months he has been at Fort Shafter he has been speaking to a thousand men each Sunday evening. He holds his service at the post in connection with a motion picture performance which is one of the regular recreational features of the post life.

Previous to entering the chaplaincy, Captain Scott was an Episcopal clergyman, being rector of churches

in Medier, Pa., then at St. Peter's at Hazelton, Pa., and before these at the well known church in New York City called "The Little Church Around the Corner."

Chaplain Scott is a graduate of the University of Pennsylvania in the class of 1892. Later he studied at the General Theological Seminary in New York City.

The service Sunday night will be similar to the others that the Y. M. C. A. has been holding each week in the theater. The music will be provided by an orchestra which will give an opening concert at seven-fifteen and later lead in the song service assisted by the male quartet composed of George Andrus, Herbert Brewer, J. D. French and Glenn Jackson.

The singing will be led by Paul Super. Old familiar songs have been chosen for the meeting. At the close "America" will be sung by all of the men in honor of the chaplain. President Trent will preside at the meeting.

scapes, has admirably caught the clear American atmosphere. Every detail stands out in bold relief; there is no softening mask of haze, or dim suggestion of figures, such as one finds in the works of Corot and his contemporaries. The criticism has been made that his colors are too striking, but when the right perspective has been obtained they become diffused and soften until they melt into a harmonious whole.

Euglers broke into the salesroom of the Alfred Peats Co. wall paper dealers at Newark, N. J., and escaped with \$700.
